

Cloakroom locker 2-door

Cloakroom lockers made of laminate offer reliable equipment for changing rooms due to their design and high quality.

The 2-door wardrobe in timeless decor is made entirely of laminated chipboard 18 mm thick. Each compartment has a clothes rail and two shelves. A cylinder lock incl. two keys per locker completes the elegant and clear design. All edges are finished with 2 mm ABS edging for a long-lasting guarantee of durability.

Ventilation is solved through the gap between doors and carcass. The wardrobe becomes a very attractive part of your interior design.
