

Wardrobe cupboard 3-door

Cloakroom lockers made of metal and laminate offer reliable equipment for changing rooms due to their design and high quality.

The combination of sheet steel and laminate provides reliable equipment in the changing rooms of various facilities, such as companies, schools, sports facilities, hospitals, swimming pools, etc., thanks to the design and high quality.

The welded frame construction of steel sheet thickness from 0.8 to 1 mm guarantees strength and minimises assembly costs.

Feature Wardrobe cupboard 3-door
