

## Workbench

**Universal and flexible workbenches and work tables for workshops, school classes, warehouses and garages. Optional for the workbench: drawer unit.**

Universal and flexible workbench for workshops, school classes, warehouses and garages. Adjustable feet to adjust the height of the work table from 655 mm to 1005 mm (in steps after 50 mm).

On request, an additional storage module with drawers or doors can be supplied. As standard, this body is grey with blue drawers and there is the option of anchoring the table to the floor. The table is delivered disassembled and includes assembly material.
